BEARSVILLE, WOODSTOCK NY

Magical, Historic, Distinctive

277-297 Tinker Street, Woodstock NY 12498

BEARSVILLE WEDDINGS / WOODSTOCK, NY

An Exceptional Venue for an Unforgettable Celebration

WELCOME TO BEARSVILLE

The Bearsville Theater sits on 16 beautiful acres in historic Woodstock, New York, the Catskill mountain town where the music revolution of the 1960's began.

A multi-million-dollar renovation of the property was completed in 2022. Today it is a magical place renowned for its leadership in the world of music. Bearsville has become a perfect wedding destination for couples who love and appreciate the creative arts.

Our property offers six different locations with many opportunities to create a stunning and unforgettable celebration of love. We have everything you need to make your wedding day exceptional, including a park for the ceremony, a beautiful, world-class auditorium for the reception, restaurant fine-dining for rehearsal dinners and wedding breakfasts, an exclusive club for late night parties, and matchless, glamorous private greeting and dressing facilities in the theater itself.

We invite you to visit our utopian grounds to explore how we can work together to create an unparalleled experience for you and your guests.

In the three decades from 1960 to 1989, music impresario Albert Grossman built a utopian paradise at Bearsville to nurture his artists. As the manager of Bob Dylan, Janis Joplin, The Band, Todd Rundgren and many others, Albert achieved his vision, setting fire to the old ways in which music was created, recorded, performed, and appreciated in America and around the world.

A NOTE FROM LIZZIE VANN

“Bearsville is a new venue that offers a very special destination for weddings in the Hudson Valley. My team and I began a \$5m renovation in 2019, just before the pandemic. We took an authentic, fascinating piece of musical history, and converted it into a picture-perfect setting for celebrations.

With high-class cuisine, and a professional staff dedicated to taking care of you and your guests, this remarkable and beautiful space can be a canvas for designing and producing a treasured, unique event.

Nestled on 16 magical acres of woodland, Bearsville was created 50 years ago as a home for the world-famous stars of the music scene, with facilities to write, record, rehearse and perform in a bucolic setting just far enough, but not too far, from the hustle and bustle of New York City.

Today we offer you our Mid-Century-Modern theater, extensive lounge and VIP rooms, and sun-dappled gardens—as well as an outdoor stage, bluestone seating ‘pods’ and a woodland walk that celebrates the lives of the musicians who shape our world. Together, we will work with you to create a truly magical and unforgettable experience.”

BEARSVILLE PARK

Perfect for your wedding reception, our sun-dappled park accommodates up to 700 people. Situated on the banks of the magical Sawkill Creek, it is fully equipped with comfortable seating, an outdoor stage, romantic arbor, outdoor bar, modern sculptures, and a woodland walk awash with history and the stories of Woodstock's iconic musical heritage.

Our design and technical teams have thought of everything, so you can create your dream wedding, whether it be a traditional, country elegant, bohemian, festival- or music-styled wedding reception.

The park has room for multiple wedding tents of giant or smaller proportions, big enough for your wedding reception and/or your cocktail party.

THEATER LOUNGE

The Theater Lounge is the perfect setting for an intimate reception, wedding rehearsal or private party. The cocktail bar provides a view of the main Theater Auditorium. The room is decorated in a Mid-Century Modern style, with a starry ceiling, geometric bar front and a cool, comfortable vibe.

This room is versatile and accommodates parties of up to 120 people, either buffet-style or seated. We serve Woodstock-themed and classic cocktails and craft beers and offer an impressive wine list. Our Lounge stage has a high specification PA, and is designed for intimate live music performances. There is direct access to a private deck and the Bearsville Park, perfect for enjoying the views over the Sawkill Creek.

Capacity:

85 seated. 120 buffet/standing

THEATER DECK

The 40' x 15' Theater Deck adjoins the Lounge and is the perfect space for friendly informal gatherings of 30 people (seated) or up to 50 (standing). The deck overlooks the Sawkill Creek and is named after two old friends —John Sebastian and Fred Neil—who hung out here in the 70's, writing songs and making music together.

John still enjoys the deck to this day.

THEATER AUDITORIUM

The Theater stage is lit by magnificent crystal chandeliers and art deco lighting. It can accommodate live music from bands of any size, and offers direct access to both the sunken bar, the historic dressing rooms, and the VIP Green Room, where you can prepare for your ceremony and entertain your special guests.

Albert Grossman designed his theater as a ‘Listening Room,’ with studio-quality acoustics. Today, both the design of the room and the modern technology that support it, make it perfect for private concerts, receptions, and dance parties. If you would like to have live music for your evening entertainment, we can provide an extensive list of talented musicians. Alternatively, you may decide to bring in your own entertainment and create a unique, unforgettable performance for your guests.

Dining: 130 seated · Versatile space · 500 MB wifi · Professional videography facilities

THE BEAR CAFÉ

Next door to the Bearsville Theater, you'll find one of the best fine-dining restaurants in the Catskills. Elegant and artistic, The Bear Café is an ideal venue for a rehearsal dinner, wedding breakfast, intimate dinner for two, or a family gathering, prior to, or after, the big day.

All or part of our 66-seat restaurant—with an additional 40 seats on the exterior Creekside patio—may be reserved. Large windows overlooking the Sawkill Creek provide lovely views of the stream and the adjoining dining area. Our walls are lined with photographs from Bearsville's illustrious history, including never-before-printed pictures of influential visitors such as Janis Joplin, Patti Smith, The Band and more contemporary musicians such as The Lumineers.

Chef Josh Rajala creates delicious cuisine that is seasonal, sustainable and locally-sourced. We also offer handcrafted cocktails and an extensive and carefully curated wine list. Whatever time of year you choose to celebrate your wedding, The Bear Café will bring in fresh seasonal ingredients and create delectable meals to enhance your Catskill experience.

CLUB UTOPIA

Dance the night away at Club Utopia! A sleek, high-ceilinged room, ideal for dancing after the main event until 11pm. A service bar may be set up inside or outside, and there are a small number of adjoining rooms available for VIP gatherings.

Suitable for up to 200 guests, Utopia can be configured with a live stage for a band or DJ. The sound system is second to none (it was created for Todd Rundgren) and the lighting system can produce sensational effects, bringing the perfect atmosphere for any party that you would like to create.

An instigator of the music video revolution, Todd Rundgren brought fame to Utopia by producing some of the first-ever music videos for MTV right here.

THE BRIDAL PARTY EXPERIENCE

THE JANIS DRESSING ROOM

Be inspired by the Queen of the Blues, Janis Joplin, as you and your bridesmaids prepare for the celebrations. Our dressing room has everything you (and your make-up artist and hair stylist) need, including a three-person LED-lit, mirrored dressing table and a private bathroom and shower room. Relax on our luxurious wrap-around sofa and enjoy a glass of champagne or two. This space comfortably accommodates up to eight people and has housed many headliner theater performers including Mavis Staples, Darlene Love, Joan Osborne, Ani DiFranco, Angel Olsen, Steve Earle and Pat Metheny.

Located in the main Theater, the Janis Dressing Room pays tribute to Janis Joplin, whose career was managed by Bearsville founder Albert Grossman. A frequent visitor at the Grossman home and a regular partier at The Bear Café, Janis came to Woodstock to recover and relax after touring and recording. The room reflects the breadth of her life — her friends and family, the men, the albums, the bands, and the influences and inspirations that drove her to become a blues singer at an early age.

THE VAN MORRISON DRESSING ROOM

Perfect for a smaller wedding party, this room can accommodate up to four people. Illustrating the time Van Morrison spent in Woodstock between 1969 and 1971, it is well-appointed with a bathroom including a shower, plus a two-person mirrored table and velvet sofa.

Van Morrison arrived in Woodstock in 1969 to play the homespun Sound-Out festival on Pan Copeland's Farm in West Saugerties. The songs of his timeless and beloved album, *Moondance*, came to life here, kindled by the spectacular view of the Ashokan Reservoir shown in the room as a full-size mural. Some of his inspiring and beautiful song lyrics and an array of photographic references to his life add to the feeling of this special space.

THE GREEN ROOM

The Green Room is just across from the dressing rooms. It is a beautiful, calming space for wedding preparations, and pre- or post-celebration drinks with your close bridal party and VIPs. The entranceway has a small shrine to Albert Grossman, plus a collage of photographs of the hidden people behind the success of Bearsville, including the engineers, producers, administrators and builders who created the Bearsville Center and Bearsville Studios.

The heart of the room is the sitting area, which faces a golden shrine celebrating the spirituality of Woodstock. Here, a long luxurious velvet couch, floor cushions and easy chairs seat up to 15 people with a working fireplace, antique rugs and pillows finishing off the ambience.

Off to the side, a fully fitted kitchen with laundry, fridge and freezer, oven and microwave, works well for small-scale catering.

THE PETERSON HOUSE

SAFE SPACE & ENTERTAINMENT FOR YOUR YOUNGER GUESTS

It's so wonderful to have children at weddings—and even more so, if they can be entertained safely and enjoy some time out. The Peterson House front room is available upon request to accommodate the children of your wedding guests. Your host, Nancy's Artisanal Creamery can offer tasty homemade ice-creams onsite. We can arrange for one of Woodstock's talented children's performers to entertain your younger guests.

Capacity: 30 children and adults in any combination

A love of good food made from high quality, fresh ingredients drives Head Chef Josh Rajala to produce astounding dishes. Inspired by the bounty of the Hudson Valley and the Catskill farms surrounding the town of Woodstock, Josh focuses upon hand-made and locally sourced food at every opportunity.

Beginning with the herbs and spices grown in his kitchen garden, Josh's desire to produce the best tasting foods extends to hand-made pasta, fresh sauces, and surprising combinations of ingredients and cuisines.

Josh trained at the Culinary Institute of America on the Hudson River in Hyde Park and apprenticed at the award-winning restaurant The Bear Café for many years.
