PRIVATE EVENTS AT BEARSVILLE

Welcome to Bearsville, an exceptional and unique event space, sitting on 16 scenic acres in the Catskills, but less than 2 hours from New York City. A multi-million-dollar renovation of the property was completed in 2022. Today, Bearsville is renowned both for its leadership in the world of music, and for hosting spectacular and unique events. We offer beautiful locations and state-of-the-art equipment and technology across the Bearsville Campus.

- **Bearsville Theater** is an acoustically-designed world-class auditorium, ideal for indoor conferences and events, private concerts, and video recordings. The adjacent lounge works well for buffet and seated dining, as well break-out sessions, intimate parties, and celebrations. Private facilities include well-appointed dressing rooms, two private VIP rooms and a separate guest kitchen.
- **Bearsville Park** is adjacent to both the Sawkill Creek and our own native woodland. The park can accommodate up to 700 guests for outdoor retreats, fundraisers, and weddings. In a small adjacent area, our streamside Memorial Park is nestled in amongst the sycamore and pine trees, offering a peaceful place for contemplation and remembrances.
- **The Bear Café** is a 66-seater creekside fine-dining restaurant, with remarkable history all the way back to the 1960's. Former owner Albert Grossman was a gourmet. This restaurant was where he would entertain the music industry and his internationally known musicians. The Bear Café is adjacent to a 40-seater streamside terrace overlooking the water. Both the food and the beverages on offer are superb.
- **The Utopia Sound Stage** is an exclusive club-style venue, perfect for late-night parties, sound and music recordings, or simply a space for presentations, corporate events and fundraisers. Suitable for up to 200 guests, Utopia may be configured in multiple ways to suit your needs.

Whatever your event, our personalized service and attention to detail help make everything run smoothly, from inquiry to close. Our total focus is upon offering our historic surroundings, creative facilities, and stunning location, to make your event both exceptional and unforgettable.

PRIVATE PARTIES

Photography: Neil Segal

Bearsville is a special space, born in the 1960's as a Utopian setting where artists could live, create, perform, and celebrate music. Albert Grossman, manager of some of the most famous names in the music industry (think Bob Dylan and Janis Joplin), created Bearsville to nurture his artists. The ordinary pleasures of life were also taken care of with landscaped gardens, world class restaurants, and performance stages to suit every event.

Fast forward to now — if you are organizing a private event, a wedding, a bar or bat mitzvah, or any other kind of celebration, Bearsville offers an ideal place to party. Our management team will work with you to create an exceptional, truly memorable party any time of the year.

Enjoy live music, fine wines, unique cocktails, and craft beers. Full catering service is available by The Bear Café, our sister enterprise located next door to the Theater. They can provide everything from passed canapes to simple meals and to-scale dinners, leaving you free to enjoy your guests and the special occasion.
